Marymount College operates a textbook borrowing scheme for all students in Years 7 – 12.

It is the aim of the College to provide the very best available education to our children. Up-to-date and comprehensive textbooks, novels and workbooks are an essential ingredient in education. All physical and digital textbooks are provided by the College and it is the responsibility of the student to look after the books they have loaned. The College also provides a variety of workbooks for a range of subjects. If any books or workbooks are lost or damaged, a replacement cost will apply.

Core textbooks will be available for pick-up before school commences on the dates above. Other novels, workbooks and texts will be supplied from Texthire in the Library throughout the year as needed. When students are no longer using those texts in class, change or drop subjects, the books should be returned promptly to Texthire.
