## Year 10 Stationery List 2024

### Welcome to Box of Books

Box of Books has been chosen by your school to provide an all in one online ordering system for your child's digital and physical textbook supplies.

All student digital textbook resources are pre-purchased by your school at a heavily discounted rate. While optional physical resources are not mandatory to purchase, a significant discount is offered on these titles, should you wish to do so.

If subjects require a physical only resource, this is indicated on the booklist. To ensure you receive all mandatory physical resources in time for the commencement of the academic year, please complete your order by **Friday, 8 December 2023**.

### Ordering your child's school resources

Ordering via the BoB shop is quick and easy. It is important that you place your order online by no later than **Friday, 8 December 2023** by following these steps:

1. Visit <https://shop.boxofbooks.com.au> to create your parent/guardian account
2. Add each student, nominating their school and year group
3. Select the items you wish to purchase from the booklist shown
4. Use the checkout to organise postage and payment

### Digital Delivery

Students with digital texts can access these without the need of an access code by signing into the Box of Books school portal using their standard school email login.

Your student's school portal can be found at:

<https://marymount-college.boxofbooks.io>

### Physical Delivery

Physical books will be shipped to your home address. Delivery can be tracked through your Box of Books account. To ensure you receive all available items please order by **Friday, 8 December 2023**.

### Delivery, Packaging & Handling

If your order includes physical resources or books you will be charged a flat charge of \$15.95 for delivery if you order before **Friday, 8 December 2023**. Any orders received after that date may incur a higher delivery fee. Digital only orders are shipping free!

### Late Orders

We make every attempt to fully supply all physical orders; however, we cannot guarantee stock levels for orders placed after **Friday, 8 December 2023**. Your order may be split into multiple deliveries.
