

Marymount Primary / College will be using **Flexischools** for parents to place lunch orders and make over-the-counter purchases at our school. Australia's #1 school ordering solution, Flexischools, operates in more than 1700 schools across Australia, enabling parents and students to order and pay for school lunches, uniform shop items, and school community events online or via the Flexischools app.

Flexischools App

Parents simply download the Flexischools app from the [Apple](#) or [Google](#) store and follow the prompts to create an account. You can download the App and find registration and online ordering instructions [here](#).

Parents can set daily spend limits and keep an eye on what they're buying via your Flexischools app. Additionally, you can also add access for your child to use the App, enabling them to place online orders themselves - great for growing independence.

If you already have a Flexischools account for another family member then just select the Profile icon on the app and +Add New Student.

Student Cards

Students will be able to make over-the-counter canteen purchases with their existing student ID card by linking their card to their profile in the Flexischools App.

[Here's how to link your child's student card](#) to your Flexischools account for cash-free spending at school.

- Register a Flexischools account and create a student
- Select Australian Christian College Marsden Park from drop down list
- Under Settings, enter the Student ID number located on the front of your student card
