Overdue Accounts

The College operates under a spirit of mutual obligation, justice and respect within our community between all families and the College. As a matter of respect to fellow families, the College is reliant upon families paying their fee accounts in accordance with the College's trading terms. Families who fall behind with their payments restrict the cash flow of the College, and consequently, compromise the delivery of educational programs to its students. Refer to the College's Fee Policy for further details.

Concessions

A fee concession is available for eligible families. This eligibility is available on the basis of a just and equitable formula reflecting financial hardship and is consistent with Brisbane Catholic Education guidelines.

An application for concession form can be obtained by contacting the College Finance office via finance@marymount.qld.edu.au. The granting of a fee concession is conditional on the family agreeing to the direct debit method (including Centrepay) of school fee payment. Fee concessions must be applied for annually.

As concessions are not granted retrospectively, it is important that families make an appointment as soon as it becomes apparent there will be difficulty in paying the fee account.

Under the conditions of an application for concession, families receiving a concession will not be eligible to apply for or attend non-compulsory extra-curricular activities that are offered by the College.

Conditions relating to Texthire

Marymount College operates a 'Texthire Scheme' for both print books and access to digital resources. These are the terms and conditions to which you agree, when your child hires any items from the College hire scheme, in either print or digital form.

Students are issued with the textbooks/resources at the commencement of the College year, or as required during the year, in either print and /or digital form:

- Students will be responsible for **ALL PRINT AND DIGITAL TEXT AND EQUIPMENT** issued in their name via the textbook hire scheme.
- **Full replacement cost** will be expected for any **damaged, lost or theft of textbooks or equipment**.
- All books and equipment on hire must be returned to the College **BEFORE** the student leaves the College each year. Any print books or equipment that have been lost, stolen, or damaged beyond what is deemed reasonable wear and tear will be charged to the family and requested to be paid in full before the student leaves the College.

Any student with school fees, textbooks or equipment outstanding from the previous year will be ineligible to borrow from the hire scheme, until all outstanding responsibilities have been met.

All students are responsible for the digital versions of textbooks and must remove these from their digital devices at the end of each College year.
